The Colchester Workplace Cycle Challenge 17th – 30th May

Colchester's Cycle Champions have announced that the Workplace Cycle Challenge will take place during May throughout Colchester.

The Challenge provides many incentives and will support people to re-discover the pleasure and benefits of cycling.

The Challenge runs from Monday 17th to Sunday 30th May, with businesses competing to see who can get the most people cycling for 10 minutes or more. It's not simply about cycling to work; it will also encourage people to cycle anywhere and at any time.

People can join the Challenge on the website and log their journeys. A range of prizes and incentives are up for grabs and we're providing cycle training and advice in the run up and during the fortnight.

Sign up now at www.colchestercyclechallenge.org.uk.

This programme has been made possible, thanks to funding and support from Cycle Colchester (www.cyclecolchester.org.uk), CTC Cycle Champions (www.ctc.org.uk/colchester) and Essex County Council's (www.essex.gov.uk) Sustainable Business Travel team and is being delivered by CTC Challenge for Change (<http://getmorepeoplecycling.com>).
