WHY JOIN CTC?

WHETHER YOU'RE new to cycling, ride regularly, are looking to get back into the saddle or looking for a new pursuit, CTC caters for you. For over 130 years, we have shared our dedication and passion for cycling to inspire more people to get on their bikes.

And here's why one of our joiners likes CTC: 'I have only recently joined and did so because I very much liked the sense of community that shines through on all that I read. I look forward to the Friday CycleClips and always find that this points to something interesting. Having now received the CTC magazine, I can honestly say it hits all of my interests in cycling, something that no other

magazine manages to achieve; it has something for every type of cyclist,' Bryn Winkle, Gloucestershire.

CS HEALTHCARE LAUNCHES A NEW PRODUCT!

MUTUAL FRIENDLY society, and CTC Partner, CS Healthcare has recently launched HealthBridge, a new health insurance plan designed to bridge the gap and connect people with quality private health insurance and quicker access to treatments at an altogether more

affordable price.

With a cover limit of £15,000 per person per policy year, HealthBridge provides members with support when they need it, and quick access to those all-important diagnostic tests, treatment and surgery whilst avoiding potentially lengthy NHS waiting times.

Cover can be extended to include children and spouse/partner giving peace of mind that the whole family is protected. With HealthBridge there is no need to complete a health questionnaire meaning joining is

straightforward and simple. Instead, CS Healthcare will automatically exclude the cost of treating any pre-existing conditions under their Moratorium Underwriting.

And by purchasing HealthBridge as a CTC Member you will help provide funds that support CTC and go towards projects that help make cycling accessible for everyone.
